

Volunteer for

A Nation-wide Organization and Service-Learning Program

Coach immigrants who are learning English and becoming U.S. citizens

Project SHINE is looking for students who want to:

- Overcome your shyness
- Earn **extra credit** in participating classes through service-learning
- Improve your speaking and presentation skills
- Serve the elderly community and teach literacy
- Gain community service experience and stand out as an applicant for scholarships
- Build leadership skills to put on your resume and college application letter
- Develop teaching experience
- Share expertise in computer skills and English with noncredit ESL students
- Mentor students to transfer to credit ESL to begin a path to a college degree

Change students' lives and enrich your academic and career-ready skills.
